

CAPABILITY STATEMENT

CORE COMPETENCIES

- Trauma-informed experiential therapy (rage room) designed to safely channel emotions
- Court- and CPS-aligned programming for youth, families, and adults
- Skill-building experiences supporting emotional regulation, self-control, and resilience
- Group sessions for at-risk youth, families in transition, and court-referred clients
- Corporate and nonprofit team-building workshops for conflict resolution and stress management
- Mobile and pop-up events, making services accessible to schools, courts, and community organizations

DIFFERENTIATORS

- **Unique Model:** Houston's only smash room directly aligned with restorative, trauma-informed practices
- **Professional Expertise:** Operated by a retired professional boxer with 10+ years of psychology and behavioral health experience
- **Therapeutic Alignment:** Structured, supervised activities designed to support emotional regulation, self-control, and resilience
- **Accessibility:** Mobile pop-up and hybrid services that bring programming to schools, courts, juvenile programs, and community centers
- **Community Partnerships:** Proven collaborations with schools, nonprofits, and youth organizations to provide safe, healing-centered experiences

PAST PERFORMANCE

- 8 years of service delivering stress relief and resilience programs in the Houston area
- Hosted hundreds of private and corporate groups for team building and employee wellness
- Partnered with local schools, nonprofits, and youth programs for experiential events
- Strong community presence through auctions, charity events, and collaborations supporting mental health awareness
